HISTORICAL SKETCH

The Massachusetts Missionary Society was organized on May 29, 1799, in Boston. There were thirty-eight charter members, mainly followers of the theology of Samuel Hopkins. They were "impelled by a deep commiseration for the unhappy state of those who were perishing for lack of those precious means of salvation which we enjoy." Their intention was to spread "the knowledge of the glorious Gospel of Christ among the poor Heathens and in those remote parts of our country in which the inhabitants had not enjoyed the benefits of a Christian ministry and Christian ordinances," i.e., outside Massachusetts. Nathaniel Emmons, fifty-four years pastor at Franklin, was the first president. The Society was incorporated in 1808.

ORIGIN OF MASSACHUSETTS HOME MISSIONARY SOCIETY

In 1827 the Massachusetts Missionary Society and the Domestic Missionary Society of Massachusetts Proper (which had come into being in 1818 to "see every parish in the State well supplied with a faithful Minister of Christ") were united under the name of the Massachusetts Missionary Society. This meant that while the Domestic Missionary Society of Massachusetts Proper lost its name, the Massachusetts Missionary Society was henceforth to work almost exclusively in Massachusetts.

The Massachusetts Missionary Society became the Massachusetts "Home" Missionary Society in 1844. This was simply to emphasize that the work of the Society had become exclusively for America and for the Massachusetts part of America.

ORIGIN OF MASSACHUSETTS CONFERENCE

The General Association of Massachusetts came into being in 1802. This ultimately became the Massachusetts Congregational Conference. The Conference then merged with the Massachusetts Home Missionary Society in 1927 to become the Massachusetts Congregational Conference and Missionary Society. This was the result of twenty-seven years' agitation, accelerated by a recommendation of the National Council in 1907. The charter of the Massachusetts Home Missionary Society was used as the basis for the union of the two organizations. In 1953 the name was changed to Massachusetts Congregational Christian Conference. In 1966 the name was changed again to the Massachusetts Conference of the United Church of Christ. The Conference assumes responsibility for all Congregational missionary work done in Massachusetts. It supports a staff of fifteen persons who give ministerial and executive leadership to a broad program of work designed to help the churches, to develop the fellowship of the ministers and churches, and to cultivate practical support for denominational and inter-denominational projects and programs.

A RESOLUTION ON MANAGEMENT AND COMMUNICATION
IN THE UNITED CHURCH OF CHRIST
(VOTED AT THE FALL MEETING, NOVEMBER 11, 1972)

WHEREAS the 1972 Fall Meeting of the Massachusetts Conference of the United Church of Christ has before it a resolution on management and communication in the church presented by Mr. Paul F. Ross, a member of the First Parish Church, Lincoln, Massachusetts, and

WHEREAS by action of the 173rd Annual Meeting of the Massachusetts Conference of the United Church of Christ, the Ross resolution was referred to the Conference Board of Directors for its consideration, and

WHEREAS the Board of Directors of the Conference wishes to affirm the Ross resolution as a document of major importance for the national Instrumentalities of the United Church of Christ, as well as for the Conferences and churches,

BE IT RESOLVED that the Board of Directors having adopted the following Statement of Concerns, recommends that the same be adopted by members of the Massachusetts Conference gathered at the Fall Meeting in the Central Church of Worcester, on November 11, 1972, and that the Statement of Concerns be transmitted to the President of the United Church of Christ and the Executive Council, for implementation, and also for their information to the chief executives and officers of the national Instrumentalities, and, to the other Conferences in the United Church of Christ.

STATEMENT OF CONCERNS

We, members of the Massachusetts Conference of the United Church of Christ, gathered in a Fall Meeting in Worcester, Massachusetts, on November 11, 1972, desire to communicate with the national officers of our Church, the leaders of the several Instrumentalities, and the leaders of our own Conference, and to share with deep earnestness and a strong sense of urgency the following Statement of Concerns that is broadly shared among us and among the members of the local churches from which we come.

We have a concern:

. . . that the mission of the Church of Jesus Christ through the Instrumentalities, the Conference, and the local churches be expanded in relation to the critical needs of the day; and that church members contribute to the growth of the mission out of deeper motivations, a clear sense of shared responsibility, and strong confidence in the Church's mission, agencies and institutions

. . . that the leaders of our Church, the Instrumentalities, and our Conference seek to develop the highest quality of communication with members of local churches, and especially keep church members informed of the several needs to which response is being made as well as the nature, cost and effectiveness of programs undertaken.

. . . that local churches in our Conference recognize their shared responsibility with Instrumentalities and the Conference for communicating, interpreting and supporting the mission of Jesus Christ through the United Church of Christ.

. . . that church members receive annually or have available to them the full story of the mission and program of the Instrumentalities of the United Church,

and, toward the end, that the officers of the United Church take the initiative to develop a consolidated report of the activities of all national Instrumentalities for the year 1972, together with total cash flow for the period, a consolidated balance sheet, and programmatic and fiscal trends that might be cited. We believe that local church members will benefit from a report that follows this outline:

- Needs served by a program
- Program activities
- Sources and amounts of revenue
- Uses of funds by expenditure category
- Relations of programs to priorities adopted by the 1971 General Synod
- Expected program duration
- Program effects in terms relevant to the needs served

... that the Massachusetts Conference require of itself the quality of management and communications that it is asking of the national Church and the Instrumentalities, and thus proceed to prepare a consolidated report following the outlines above.

... that in view of the fact that mission receipts in the United Church of Christ over the last several years have declined in dollars, and even more in buying power, the publication of the consolidated reports be regarded as urgent business by the Church officers, Instrumentalities and the Conference, and, further, that the reports be prepared for Annual Meetings in the spring of 1973, including the Massachusetts Conference meeting May 5 and 6.

... that in view of the imminence of the Conference's consideration of the major funds appeal for six black American Missionary Association colleges and certain overseas ministries, the completion of Mission: Advance! in the Massachusetts Conference, and the sharp decline in church financial strength generally from 1966 to the present, the Conference Meeting and its officers regard it as a matter of high priority that there be in the United Church of Christ as well as in the Conference an overall statement of financial condition, a projection of fiscal plans in relation to goals and priorities, and the development of a plan that seeks to encompass and to understand the total money flow in the United Church of Christ — its Instrumentalities, Conferences and Churches.

We believe that such a communication between the Massachusetts Conference and the officers of the Church and the Instrumentalities both tests and enriches the quality of interrelationships in the United Church of Christ and gives promise of greater discipline and effectiveness in the mutual ministry which all parts of the Church are called to share.

MINUTES OF THE 174th ANNUAL MEETING
of the
MASSACHUSETTS CONFERENCE OF THE UNITED
CHURCH OF CHRIST

May 5 - 6, 1973, Springfield, Massachusetts

The 174th Annual Meeting of the Massachusetts Conference of the United Church of Christ was called to order by the Moderator, the Rev. D. Curtis Minter, at 10:05 A.M. on Saturday, May 5, 1973, at Old First Church, Springfield, Massachusetts. The Rev. Robert D. Witham led the group in singing preceding the Meeting. The Invocation was given by the Rev. Clayton J. Steele, retiring Moderator, Hampden Association.

Greetings from the host Churches in the Springfield area were given by the Rev. Delwin R. Lehmann, chairman of the local committee and pastor of the Host Church. The following were appointed to the Credentials Committee: Mr. William A. Cook, Chairman; Mr. Clarence Turner, Miss Winifred Eastwood. Mr. Cook reported on advance registrations, which consisted of clergy 193, lay persons 442, Directors of Christian Education 8, Exofficio 32, Guests 79, or a total of 754.

The Moderator declared that a quorum was present. The Ground Rules as printed in the 1972 Conference Yearbook and circulated prior to the Meeting were read. It was moved and

VOTED: To adopt the Ground Rules as read as the rules of this Meeting. (The complete Ground Rules follow these Minutes).

The Moderator introduced the Parliamentarian, Dr. Max Wortman, and Mr. Thomas E. Neely, legal counsel, from the firm of Hale and Dorr. Voting procedures were outlined. The following committees were appointed:

Tellers: Mr. Charles Taylor, Head Teller; Mr. Richard Jones, Mr. Jack Flynn, Mr. David Bruso, Mrs. Elizabeth Marshall, Mrs. Helen Ward, Rev. and Mrs. Harry Stuckenbruck, Mr. Russ Callahan, Rev. Robert Jackman.

Business Committee: Rev. Norman R. Farnum, Jr., Chairman: Rev. Merlin T. Batt, Mr. William A. Cook, Miss Winifred Eastwood, Mrs. Christine Hansen, Rev. Duane E. Herron, Rev. Robert W. Little, Rev. Robert P. Noble, Jr., Rev. Dewey Peterson, Jr., Mrs. Sally Snyder, Rev. Richard A. Stoehr, Mr. Clarence Turner.

The Rev. Norman R. Farnum, Jr., Chairman of the Business Committee, recommended that a Resolution on Government Morality and one on The Prison Issue be presented with other resolutions at 4:00 P.M. Saturday and voted on at the afternoon session on Sunday. The concerns of the United Farm Workers are highlighted in the Marketplace and the Business Committee recommended that it be referred to the Church and Community Committee. It was moved and

VOTED: To adopt the agenda as recommended by the Business Committee.

It was moved and

VOTED: To approve the Minutes of the 1972 Fall Meeting as mimeographed and distributed.

It was moved and

VOTED: To accept the reports of the Minister and President of the Conference, the Statistical Report of the Secretary, the combined reports of the committees and councils, and the reports of special commissions and task forces as printed and distributed.

The Rev. Nevin Kirk, Chairman of the Church and Leadership Committee, presented a Consensus on the Nutting Resolution on Nominations. This Resolution (p. 63, 1972 Yearbook) had been referred to the Church and Leadership Committee. The consensus statement was:

1. The election process in the Mass. Conference does not historically correspond to the election process in either the General Synod of the United Church of Christ or the political process of our nation. The philosophy that the Nutting Resolution assumes is not akin to the philosophy under which this committee on Church and Leadership works, (Bylaws Article VIII Sec. 3, para. C) and therefore to nominate two persons for these offices would be contradictory to our practice and purpose.

2. In response to a previous request, dual nominations were submitted for vice moderator at 2 previous annual meetings. The Conference had an opportunity at that time to see this process in action and, following that experience, your committee felt that that experience did not work for the strengthening of leadership in the conference.

3. The members of the committee on Church and Leadership sincerely believe that they cannot honestly divide themselves in order to present a dual slate. However, we encourage Mr. Nutting or anyone else who feels strongly about this matter to make further nominations as provided in the bylaws.

Mr. Kirk presented a list of nominees for Conference Officers and members of the Board of Directors, committees and councils. He announced that the Committee was available to receive further nominations for officers and committees.

The Moderator introduced several guests: Rev. Jefferson P. Rogers, President-Executive Minister of the Black Ecumenical Commission of Massachusetts, Inc.; Dr. George A. Owens, President of Tougaloo College, Mississippi; Rev. Mineo Katigiri, Assistant to the President of the U.C.C.; Rev. Don Bundy, of the Pension Boards, U.C.C.; Mr. Thomas E. Neely, legal counsel from Hale and Dorr, Boston; Rev. Donald Morton, Ecumenical Commission for Southern Africa, National Council of Churches; Mr. Dingindhela Sithole, Zimbabwe, Africa; Mr. Zibonele Sithole, Zimbabwe, Africa. It was moved and

VOTED: That these guests be elected Honorary Delegates for this Meeting, with voice, but no vote.

Mr. Bundy spoke briefly to the Meeting, as did Mrs. Anita Phillips, representing "A.D." The following, who have served in other countries under the Board for World Ministries, introduced themselves: Rev. and Mrs. Samuel T. Kaetzel, Rev. and Mrs. Everett C. Blake, Rev. Philip H. Ward, Rev. Charles P. Blakney, Mrs. Mary Ann Donaldson, Miss Katherine Mix.

The Treasurer, Mr. Ralph F. Tuller, gave his report. It was moved and

VOTED: That the Report of the Treasurer be accepted and the Auditor's Report be accepted as printed. (The Auditor's Report appears in another section of the Year Book).

The Moderator introduced the Rev. Avery D. Post, who was welcomed to the platform by a standing ovation, for the Report of the Minister and President. (A copy follows these Minutes).

Mr. Kirk invited members of the Meeting to attend a Peace Vigil, held on Court Square each Saturday noon for the last 7 years. Dr. Minter announced that we were privileged to have an international ecumenical guest, the Rev. Dieter Gunther, present from Potsdam, Germany.

The Meeting was recessed for lunch.

The Moderator reconvened the Meeting at 2:30 P.M. Dr. Wade Kornegay, Chairman of the Board of Directors, presided for the presentation of items from the Board. Dr. Kornegay stated that the Resolution on Management and Communication had not been delivered on fully. The Board sees this as an on-going delivery and has begun to lay the groundwork for it. The Staff has been asked to prepare a process for program evaluation and the Program Development and Coordinating Committee has been asked to work on the process for evaluating the standing committees and councils. A printed report on the implementation of this resolution was received by the delegates.

Mr. Leroy Tirrell, chairman of the Finance Committee, presented a list of long range goals, with some of the financial implications. These goals are: 1) new money for local churches; 2) expand OCWM Basic Support; 3) Framingham development; 4) complete Mission: Advance!; 5) implement the Staff Design; 6) 17/76 Achievement Fund; 7) Craigville development; 8) Mission Contingency Fund; 9) and an operating reserve.

The Rev. Thomas E. Dipko, chairman of the Ecumenical Commission, reviewed the report and supporting documents which had been circulated prior to the Meeting. He also called attention to a proposed resolution, A Declaration on Christian Unity and Church Union and to a proposed overture to the General Synod, both of which will be before the Meeting for action on Sunday.

The Rev. Virgil Brallier, Vice-Chairman of the Board of Directors, presented a list of 4 major concerns which had been adopted by the Conference at the 1972 Fall Meeting and which have been reaffirmed by the Board and will be presented to the Meeting for action on Sunday. Added to these are two more concerns which were developed at a Planning Day for 1974 and which the Board also recommends.

Mr. Donald Lorenz, a member of the Finance Committee, reported on the Board recommendations for Fellowship Dues and OCWM retention for 1974.

Mr. David Dayton, a member of the Framingham Development Committee, presented a report and read the motion which will be proposed for action during the business session.

Mr. Post read the names of the ministers who had retired in the last year and invited those who were present to come forward for recognition.

Mr. Kirk reported that no additional nominations had been received by the Church and Leadership Committee. It was moved and

VOTED: That nominations be closed for the Executive Officers, the Conference Officers, members of the Board of Directors, and members of committees and councils.

The following resolutions and overtures were announced: Declaration on Christian Unity and Church Union; Overture from the Ecumenical Commission of the Massachusetts Conference to the Ninth General Synod; Overture to the Ninth General Synod from the Commission on Worship; Health Care; The Prison Issue; Government Morality; and Regarding the Task Force on Southern Africa. Copies of the resolutions and overtures had been circulated to the delegates. These will be acted upon Sunday afternoon with the Southern Africa resolution included if there is time. The Rev. Fred W. Anderson, Church and Community Committee, spoke briefly about the Health Care Resolution.

There were reports on several concerns: Task Force on Southern Africa by Rev. Newell Curtis, Mrs. Dorothy McComb, Mr. Dingindhela Sithole, and Mr. Zibonele Sithole; Task Force on Anti-Personnel Weapons by Rev. Charles Farrell; Church and Ministry on Women in the Church by Miss Elizabeth Rice and Miss Diane Dorsey; Commission on Worship by Mr. Edward Smith; Church and Edu-

cation by Mr. Fred Spollett for Camps and Conferences, Mrs. Virginia Derr for the People Bank, and Rev. Jacqueline Mills for the Shalom Curriculum. Following this Miss Nancy Hunt spoke briefly about a Faith Exploration Conference she had attended.

The Meeting recessed for dinner.

The Moderator reconvened the Meeting at 8:00 P.M. and introduced the Rev. Henry Rust for the 17/76 Achievement Fund presentation. A film was shown, followed by an address by Dr. George Owens, President of Tougaloo College, Tougaloo, Mississippi. Mr. Loomis Patrick, a member of the Board for World Ministries, spoke about the needs of overseas institutions.

The Major Areas of Concern for the Conference were discussed. It was pointed out that the order of Concerns had not been ranked and was only a list. The Board of Directors had reaffirmed for 1974 the four Concerns which the 1972 Fall Meeting had adopted for 1973 and had also adopted two additional Concerns which were developed by a Planning Day for 1974, held March 2, 1973. An amendment to place number VI as number I and move each of the other concerns down accordingly was defeated. It was moved and

VOTED: To reaffirm for 1974 the 4 Major Concerns of 1973 and adopt 2 new Concerns for 1974: Support of the Local Church; Support of Professional Leadership; Empowering the Poor, Black and Disenfranchised; Peace; Environment and the Quality of Life; Opening Persons to the Power of Jesus Christ.

Mr. Leroy Tirrell, Chairman of the Finance Committee, presented a recommendation from the Board of Directors for Fellowship Dues. An amendment to change the Fellowship Dues from \$2.00 to 0 lost. It was moved and

VOTED: That the Fellowship Dues for 1974 be set at \$2.00 per church member as reported for January 1, 1974.

Upon recommendation of the Business Committee, it was moved and

VOTED: To recess tonight at 10:30 (instead of 10:00), vote tonight on nominations and Framingham Development, and postpone until Sunday afternoon action on O.C.W.M. retention for 1974 and 17/76 Achievement Fund.

A motion to recess immediately, was lost.

It was moved and

VOTED: That the Secretary cast one ballot for the election of the Officers and Executive Officers of the Conference.

It was moved and

VOTED: That the persons nominated for the Board of Directors, Conference Committees and Councils, and Agencies be elected. (A complete list of Officers, Executive Officers, Boards, Committees, Councils and representatives to agencies is printed in another section of the Conference Year Book).

Mr. Kirk introduced the new Officers, Executive Officers and the Professional Staff.

After discussion, it was moved and

VOTED: That the 174th Annual Meeting of the Massachusetts Conference of the United Church of Christ authorizes the Board of Directors to borrow up to \$700,000 with authority to utilize the Framingham Center property as collateral so that the Board of Directors through the Framingham Development Committee may proceed with the development of the Center in accordance with the projected design, provided

(1) that with each increment in the debt the Board is assured that the borrowed funds will lead to the creation of facilities that will liquidate the debt, leaving no obligation to Conference funds and

(2) that a final financing plan with the detailed development plan will be presented to the 1973 Fall Conference Meeting, recognizing the Framingham Development Committee's hope that it can design a financial plan that will do better than a straight mortgage.

On recommendation of the Business Committee, it was moved and

VOTED: To include the Resolution Regarding the Task Force on Southern Africa in the business session on Sunday afternoon.

It was moved and

VOTED: To reconvene at 2:00 P.M. on Sunday.

The Meeting recessed at 10:40 P.M.

Sunday, May 6, 1973

At 9:30 A.M., a Faith Exploration program was conducted for the Meeting, under the direction of the Rev. David C. Norling.

The Meeting worshipped with the congregation of First Church, in a service prepared and conducted by the Worship Commission. The preacher was the Rev. Jefferson P. Rogers, President-Executive Minister of the Black Ecumenical Commission of Massachusetts, Inc. Mr. Post read the names of those who are celebrating 50 years in the ordained ministry: Rev. Edward U. Cowles, Rev. Lee Fletcher, Rev. Pierson R. Harris, Rev. Horace G. Robson, Rev. William A. Sumner. Dr. Harris and Mr. Sumner were present and were introduced. Mr. Post also read the names of the new ordinands of the past year. (This list is printed in another section of the Conference Yearbook).

After the noon meal period the Moderator reconvened the Meeting at 2:00 P.M. It was moved and

VOTED: That the O.C.W.M. Retention for 1974 be set at 20% of Basic Support.

There was discussion about the 17/76 Achievement Fund Drive. An amendment that 25% of the money collected by the Massachusetts Conference in any drive, such as the proposed 17/76 Fund, be retained by the Conference and used by the Board of Directors specifically and only for "empowering the poor, black and disenfranchised" both in Massachusetts and elsewhere, was defeated. It was moved and

VOTED: That the 174th Annual Meeting of the Massachusetts Conference of the United Church of Christ' commends the needs of the predominantly black American Missionary Association related colleges and other overseas educational institutions to the local churches and church members in the Conference; and the Meeting calls for the appointment of a Conference planning committee (1) to develop a plan whereby congregations may be informed about these needs and may respond and (2) to present a report, including recommendations, to the 1973 Fall Conference Meeting.

The Commission on Worship presented a proposed overture to the General Synod. It was moved and

VOTED: That the Massachusetts Conference Annual Meeting overture the Ninth General Synod to establish an on-going professional position on worship within the structures of leadership of the United Church of Christ.

This position and program will be responsible for improving communication, coordinating worship resources, and participating in ecumenical worship, study and development, with budget for staff and program of not less than \$40,000.

The Ecumenical Commission presented a proposed Declaration of Christian Unity and a proposed overture to General Synod. It was moved and

VOTED: To adopt the following Declaration on Christian Unity and Church Union:

We affirm our commitment to the unity given us in the Lordship of Jesus Christ, and we pledge anew our determination to do our part to make that unity visible in our time and place.

We accept and celebrate the description of the unity we seek proclaimed at the 1961 meeting of New Delhi Assembly of the World Council of Churches:

We believe that the unity which is both God's will and His gift to His Church is being made visible as all in each place who are baptized into Jesus Christ and confess Him as Lord and Saviour are brought by the Holy Spirit into ONE fully committed fellowship, holding the one apostolic faith, preaching the one Gospel, breaking the one bread, joining in common prayer, and having a corporate life reaching out in witness and service to all and who at the same time are united with the whole Christian fellowship in all places and all ages in such wise that ministry and members are accepted by all, and that all can act and speak together as occasion requires for the tasks to which God calls His people.

Although this description refers to "corporate life," it does not include specific suggestions regarding order or structure; but the unity it portrays can be fully manifested and operative only if there is substantial unity of order and organization. Unity in purpose, in acceptance of Jesus Christ as Lord and Saviour, in the understanding of the mission of the Church, in mutual concern — these are fundamental; but if they are to be effectively expressed in practice, there must be the means and channels for united planning and action.

We emphasize this point about order and structure because of a tendency in some circles to assume that there can be adequate unity without union, which involves structures. Integral structure, with reasonable freedom and flexibility, is an inescapable necessity. To profess interest in unity while at the same time dismissing any concern for structure is to be self-contradictory. It is somewhat like a human being expecting to be an integrated, effective person while rejecting any articulated bone structure, any unified nervous system, and any network of blood vessels.

How shall we move toward the unity we seek?

We believe the U.C.C. should move forward as a whole fellowship, each part according to its own nature and function, and in harmony and mutual support. We recognize that we in this Conference shall be limited in what we can do if the entire fellowship of the United Church of Christ does not press forward with equal or greater vigor toward the unity we seek. On the other hand, we shall be greatly aided and stimulated by concerted church-wide efforts. Regardless of what others do, we must strive to fulfill our share of the responsibility to nourish and practice the fullest possible unity in the Commonwealth of Massachusetts.

To that end we adopt the following policies and plans:

1. In our planning and action, we shall always work toward visible unity

with other church bodies in our area, and we shall encourage the associations and local churches to do the same.

2. We shall welcome proposals for cooperation and for church union received from the General Synod and shall study them prayerfully and hopefully, and we intend to be constructive in our reactions. Beyond that, we shall seek ways of putting practicable suggestions for cooperation and united action into effect immediately.
3. We reaffirm our endorsement of a recommendation adopted in 1967 by the Committee of Executives (denominational executives) of the Massachusetts Council of Churches "that each denomination adopt the policy that it would undertake no new project without considering, in its formative stages, whether or not it might be done in cooperation with one or more sister communions; and that there be a careful examination of existing programs with a view to determining which of them might become cooperative enterprises."

We encourage the associations and congregations in our fellowship to take corresponding steps in their areas of responsibility.

4. We shall seek to engage with other church bodies in thoughtful efforts to understand more clearly the Church of Jesus Christ — its nature, its mission, and the rightful scope of its concerns. Then we shall increase our efforts, in interchurch cooperation, to follow the principles of progressive, effective cooperation. (A resource: "Toward Oneness in Mission," 1969 Massachusetts Council of Churches).
5. We resolve to keep continually before us and put into practice the attitudes, policies, and suggested steps contained in "Word to the Churches" and the "Recommendations" which came out of the Denver, 1971, meeting of the Consultation on Church Union.

More specifically we accept for ourselves these sentences from "A Word to the Churches":

We reaffirm our commitment to the broadest possible participation in developing an improved *Plan of Union*.

We have seen more vividly than ever before the importance of mutual involvement among Christians in the quest for the church which God wills. We discover church union in a process of growing together. Just so, the members of our churches may grow together as they discuss together the issues posed by *A Plan of Union* and live out some implications of its principles.

We accept for ourselves the "Recommendations" to the Churches from COCU, Denver, 1971, for concrete action.

6. We look to our Ecumenical Commission to maintain the pressure of the ecumenical goal of church union upon us.

It was moved and

VOTED: In support of a previous communication to the Executive Council from the Board of Directors of the Massachusetts Conference in which they said: "We respectfully recommend and dare to hope that you will take the lead in calling the United Church of Christ to a great forward thrust toward the goal of visible unity. We believe that all parts of our Church — congregations, associations, conferences, instrumentalities, the Executive Council, and the General Synod, have an obligation to move ahead simultaneously and in interrelated endeavor in prayer, in study, and in the practice of cooperation and unity, search-

ing faithfully and eagerly for the best ways to accomplish that unity of faith, of planning structure, and of witness which will be a manifestation of genuine unity which our lips have so often given utterance;"

We, the delegates to the 174th Annual Meeting of the Massachusetts Conference, now overture the Ninth General Synod:

1) To reinstate Christian Unity as a major concern of the United Church of Christ, and

2) to authorize the Commission on Christian Unity and Ecumenical Study and Service of the United Church of Christ to be the Synod's agent in all the directions envisioned above, adequately funded and empowered, and

3) to provide the CCUESS with a staff officer with the standing of a special assistant to the President of the Church.

The Church and Community Committee presented a proposed Health Care Resolution. An amendment that the Resolution be referred to the Church and Community Committee for further research into the subject, including meetings open to members of Churches in the Massachusetts Conference of the United Church of Christ and to representatives of sponsors of the five major proposals for national health insurance which were taken into consideration by the 92nd Congress, and for submission of a comprehensive report comparing these plans and their costs, and for a recommendation for action at the May 1974 Annual Meeting of the Conference, was defeated. It was moved and

VOTED: To adopt the following Health Care Resolution:

WHEREAS the ministry of our Lord displayed a deep concern and compassion for the total well-being of persons — mental, physical and spiritual; and

WHEREAS the United Church of Christ has a long tradition of establishing, sponsoring and supporting health and welfare services and facilities; and

WHEREAS the existing health care structure and system within our nation continues to display critical inadequacies and inequities in regard to the organization, delivery and financing of personal health services; and

WHEREAS at the present time a health care crisis is emerging as one of the most important domestic issues in America — cutting across all political, social, economic and geographical lines and affecting rich and poor, black and white, old and young, urban and rural, business and labor alike;

BE IT RESOLVED that the 174th Annual Meeting of the Massachusetts Conference of the United Church of Christ instruct its Minister and President to convey the following standards for health care to our churches and to the Congressional delegation from Massachusetts:

Health care must be

1. Universal: so that each and every person may receive health care as a right;
2. Equally accessible to all: without restriction based on ability to pay, on rural, urban or suburban place of residence; on length of residence in the community or citizenship;
3. Comprehensive: including the following elements
 - a. build health, such as nutrition, physical fitness, and environmental health programs.

- b. prevent illness and disability, such as immunization, sanitation, and epidemiology.
 - c. provide for early diagnosis and treatment, such as regular physical examinations, and well-baby clinics.
 - d. provide treatment resources for more serious malfunctions and diseases as well as for those which are more common.
 - e. serve to rehabilitate persons for optimum individual and social functioning.

The Rev. Clyde Miller presented a proposed Resolution on The Prison Issue. An amendment to delete the third from the last paragraph and in the last paragraph to delete everything following "Governor of the Commonwealth of Massachusetts" and add "and those responsible people in the legislature," was defeated. It was moved and

VOTED: To adopt the following Resolution on The Prison Issue:

WHEREAS the elected representatives of the citizens of the Commonwealth in the General Court of Massachusetts passed into law the Omnibus Prison Reform Act of 1972, which set forth a new and progressive policy for the correctional systems of the state; and

WHEREAS that policy takes seriously the causes and effects of criminal behavior, as well as the right of society to protect itself, by placing primary emphasis on programs designed to minimize recidivism and to provide for the rehabilitation and resocialization of convicted offenders; and

WHEREAS the Church of Jesus Christ is mindful that our Lord's words in Matthew 25 set a standard of humane and redemptive treatment as the Christian approach to those in prison; and

WHEREAS in this time of transition to a new program of corrections in our Commonwealth, when the issue has become over-politicized and the problems that occur in such a new venture are distorted out of proportion to their due and thereby obscure the general effectiveness and safety of the new policy and jeopardize the future of correctional policies and programs which are in keeping with both our democratic principles and our Christian heritage;

BE IT RESOLVED that we, the delegates to the 174th Annual Meeting of the Massachusetts Conference, United Church of Christ, meeting in Springfield, May 5-6, 1973, publicly urge His Excellency Francis W. Sargent, Governor of Massachusetts, and the Honorable Peter H. Goldmark, Secretary of the Executive Office of Human Services, to vigorously pursue the implementation of the policies and programs called for in the Omnibus Prison Reform Act of 1972; and

BE IT FURTHER RESOLVED that we urge Governor Sargent and Secretary Goldmark to retain the present Commissioner of Corrections John O. Boone to administer those policies and programs in the correctional system; and

BE IT FURTHER RESOLVED that we urge the members of the two houses of the Massachusetts Legislature to defeat those proposals which call for the transfer of the Department of Corrections to the Executive Office of Public Safety, thereby retaining the Department of Corrections within the Executive Office of Human Services; and

BE IT FURTHER RESOLVED that copies of these resolutions be delivered by the Conference President to the following persons: His Excellency Francis W. Sargent, Governor of the Commonwealth of Massachusetts; The Honorable Kevin B. Harrington, President of the Senate of Massachusetts; The Honorable David M. Bartley, Speaker of the House of Representatives of Massachusetts; The Honorable Peter H. Goldmark, Secretary of the Executive Office of Human Services of Massachusetts; Mr. John O. Boone, Commissioner of the Department of Corrections of Massachusetts; The Clerk of the Senate of Massachusetts; and The Clerk of the House of Representatives of Massachusetts and that a copy of these resolutions be mailed to each member of the General Court of Massachusetts.

The delegates from the Chestnut Street Church, Worcester, presented a proposed Resolution on Government Morality. An amendment was offered to add the word "respectfully" at the beginning of line 5 and to delete parts of lines 8 and 9 — "who have sought to meet with President Nixon on previous occasions;".

It was moved and

VOTED: To divide the question.

As a result of the vote, the addition of the word "respectfully" carried, but the deletion failed. An amendment to instruct the President to confer with no religious leaders on political matters was defeated. It was moved and

VOTED: To adopt the following Resolution on Government Morality:

In the light of the ethical and moral questions raised by the Watergate events, *BE IT RESOLVED* that we, the delegates of the Massachusetts Conference of the United Church of Christ,

- (1) respectfully request the President of the United States of America to meet with a group of American religious leaders — including the national president of our own United Church of Christ and his counterparts — who have sought to meet with President Nixon on previous occasions, and to engage with them in conversations concerning the issues of ethics and morality in government;
- (2) instruct the President of the Massachusetts Conference of the United Church of Christ to express our concerns regarding moral leadership in government and to encourage a response to these concerns;
- (3) and call upon ourselves, the local churches we represent, and our sister churches and synagogues to hold this concern in their prayers and to voice their convictions.

A proposed Resolution Regarding the Task Force on Southern Africa was presented. An amendment to delete the remainder of the Resolution beginning with "and we urge" and to substitute "and affirms the principles outlined in 'The Issue Recommendation on Africa'" was defeated. It was moved and

VOTED: To adopt the following Resolution Regarding the Task Force on Southern Africa:

The 174th Annual Meeting of the Massachusetts Conference of the United Church of Christ commends the Task Force on Southern Africa for bringing *The Issue Recommendation on Africa* proposed by the Council for Christian Social Action before this Conference, and we urge the Task Force to make clear to our Massachusetts delegates to the Ninth General Synod the importance of *The Issue Recommendation on Africa* to be presented to the Ninth General Synod of the United Church of Christ.

ANNUAL MEETING ADDRESS

SPRINGFIELD — MAY 5 and 6

AVERY D. POST

MINISTER AND PRESIDENT

These are not gentle times, and this is no time for gentle talk.

How I wish that we could be devil-may-care in these few hours that we have together, and simply throw the agenda to the winds, and then talk — hard talk, worldly talk, church talk, God talk — about this new moment in the human story in which we are alive and called to be responsible.

But out of prudence and sheer terror I ask you not, at this stage, to abandon the prepared agenda. Let it run its course! God will understand and will be kind!

Oh, do you have the fun-loving imagination to see the headline we might create if we should change the game — plan impetuously? “Dead, the Massachusetts Conference of the United Church of Christ, crushed by the weight of accumulated and deferred agendas!”

But, seriously, we have urgent work to do that we will not be doing between now and tomorrow afternoon, and that is why I want to talk with you, not in a preparatory way about the significant agenda that we have, but in a provocative way about an agenda that we cannot at last avoid. Here there will be none of the pieties of shop-talk, but words that are taking shape at the growing edge of our thinking as persons engaged in contemporary history and *en route* in a faith pilgrimage.

We are here met in post-Vietnam America. Perhaps we did not know until now, or at least could not believe until now, that during all of these years of war in Vietnam the United States has been in the rapid and painful process of losing her innocence. No one in this room could possibly pretend that these post-Vietnam times have brought peace. The great war in Southeast Asia continues. We know that fact through and through. We are no longer innocent. Consciences may be dulled, compassion exhausted, patience tried, and the sense of shock over purposive deception and the manipulation of our minds held in check so that we will not be driven mad, but now we know! We are no longer innocent.

For years millions of us lived daily on the accumulated bank balances of national virtue, and we have known that it was as dependable as night following day that the essential righteousness of our national cause would prove out, that someone would at last and in every instance be able to announce with confidence that our honor was intact, and that such adulterations of our mythology as are contained in the words “defeat” and “failure” and “dishonor” would be flushed out and the end-state would be clean. Clean!

But now all of that is changed — as it changed a long time ago for many older nations. We are no longer innocent, and only a rearguard segment of our people will not accept that fact. Watergate does not tell a story that is rare in human affairs, not even, in fact, in the affairs of our own nation. But Watergate has now emerged alongside Vietnam as a powerful symbol of our loss of innocence. While shell games will continue to go on in this sinful world, the big shell game in our nation is probably over. If we can be grateful for anything in a time when scandals abound and bombs are dropping, we can give thanks that the blinders

are off and truth is staring and we are beginning to see, — perchance beginning to mature.

Because of Vietnam alone, not to speak of the myriad other forces that have resulted in cultural dissonance and dislocation and given us massively-changed environment for human living and thinking, we cannot proceed with business as usual (whatever that means, or has ever meant!).

Changes of seismic proportion are taking place. A major transformation of history is in process. The impacts on human beings are awesome. One thinks of DeGrazia's famous study of political communities which describes how leadership throws off competing and confusing symbols of compassion and violence, thus causing people to experience lostness and to lapse into anomie (dislocation, normlessness). We are in the earliest stages of reaction to a vastly changed human situation, and we know from our own experience what is happening — nostalgia, amnesia, apathy, dulled consciousness, or retreat into what Solzhenitsyn called in his Nobel Prize lecture "the open spaces of subjective caprice."

My soul! Do you believe for a moment that the Church of Jesus Christ has no fundamental work to do?

Psyches ripped open! People somnolent and asleep, not able to watch and pray as history turns, as the God of history exacts his judgments and showers his mercies! People no longer innocent, no longer knowing how to live and how to *be* in the present and future!

Being! — that is the question before the churches. What has suffered over these years is quality of living and being. No simple thing is wrong, and so no simple answers will be right. What is before us is the long, long reconstruction of a people's health, the finding of a people's wholeness, the envisioning and pursuit of a new quality of life, the finding again of the nerve for justice in a time when that great imperative has seemed to atrophy, a taste for the winged joys and promises of imagination, a sharp refusal of culture-wide mediocrity, and the defeat of a kind of banditry that has operated unchecked in our economic and political systems. In a word, we have lost our depth, or soul, and we'd better find it again.

With such work to do, I warn you of the perils of thinking in short terms. We should have learned that lesson during the last decade as the celebrated rapid change rate made us believe that we must live and work in successive episodes — short, intensive, all stops pulled out, going "for broke." In the episodic way in which the Church has been living, the invisible hands on the levers of the human drama have been switching us from this to that, and then — just a few months ago — to evangelism. We are still in that episode with a solid conviction that these times call for proclamation of the central message.

But in the short-term episodic way in which we do things it is clear that the mere re-assembling of the evangelistic apparatus from the 19th century, the re-heating of hymns from the revival era, the unearthing of old rhythms of language that can at least make us nostalgic for the faith of another time, do not address us in the new place where we are, in relation to the depths where we long to be reached, in relation to the spiritually painful journey that we have been on in the last few years in relation — if you will — to our loss of innocence.

Ironically — not not ironically — quite plainly and directly the principalities and powers about us are able to co-opt the Church's piety and evangelistic emphases as a way of perpetuating the damning lie and illusion of innocence. Retrograde piety, a self-justifying culture, and an ever-so-understandable fantasy of a new simplicity can conspire to produce more innings of a pretend-game that says that there is nothing in our society so dislocated that it cannot click back into shape, that there are no injustices so resistant that they will not yield themselves to time and patience, that there are no excesses that are a match

for aggressive moralism, that there are no new ways of thinking and living that will not finally reveal themselves as aberrations from the true and tested decency, respectability and virtue of our best people.

Evangelism is a good word for these or any times. It is a word that beckons to the Church to take up its central mission task in society. But, my soul, let's not say the word, even think it or breathe it, unless we intend seriously to do what the word demands over the long life of the Church in the world.

The Church of Jesus Christ is set in the midst of the world to be an instrument by which God bestows, teaches, and communicates new life to all of His people. But what is the language of bestowal? How does a Christian communicate the story of new life to twentieth century — and soon twenty-first century — persons? What is teaching? — and learning? In the great plethora of faiths in the contemporary scene, what is the particular mission of Christians in helping to liberate a way to faith for persons in post-Vietnam America? Oh, just beginning to put such questions makes one experience a kind of intellectual breaking loose, and a desire to plunge toward other questions. What does it mean for a person to become a believing creature in a world of

- space adventuring,
- mathematics that blends into philosophy and poetry,
- new symbolic languages,
- a secularity that is cherished and celebrated as a new way to the sacred,
- Far Eastern faiths now welcomed as good news by Western people,
- consciousness-control by public relations and media-manipulation,
- fresh appropriations of the Christian Gospel and stories of divine action by oppressed people beginning to rise on the winds of liberation?

You hear all that, and begin to feel in your body and mind the resonances of such questions, and it simply becomes impossible to say with the blasé super-confidence of the Gospel huckster that all that is needed is for the continent to come to Jesus.

The return of depth and quality in the people of a continent will happen through the mysteries of the judgments and mercies of God! But I do not blush for a second to say to you that a nation's churches and faith communities can, and, in many cases, will be the providential sites for such rebirth.

Never in my twenty-five years in the ministry have I felt anything more keenly than this: that churches need now to turn — as part of their stewardship of the Evangel — to deepening, to re-opening the way to the depths for all the people of this land, to re-building the lines to life. I see such intensive commitment on the part of churches not as alternative to ministries in a suffering world where injustice is rampant, but as part and parcel of such ministries — indeed, the fulfillment of these ministries!

I sense fervently with many of you the imperative to make extraordinary room in church life for deep growing. To find such room, there will need to be bold strokes to terminate some rampant and goal-less activities that have been living by momentum.

All of this is to say that we have very basic work to do as participants in the mission of God in our society. And so — to put it bluntly — we can't fool around any more, pampering our prejudices, our anti-intellectualism, our spiritual sloth. We have to get in touch with our tradition, our story. We have new languages to put together, metaphors to test, symbols to understand, and venturing to do in spreading the vision of new faith and new life.

This will be a kind of inside/outside work, and it could be the critical move in our evangelistic ministry in this generation. Such evangelism is, in fact, a social ministry, indeed, a civic ministry in a troubled society. Events of authentic deep-

ening and new life in the churches have the effect of feeding, nurturing, and restoring not merely persons but the people of a body politic!

The stakes are that high. I'm absolutely sure of it. And the requirements upon the churches are so enormous that I would be baffled and gloomy were not so many lay people and clergy obviously ready for such a basic piece of work.

My suspicion is that the readiness and the eagerness are shockingly uncultured. A vast number of people in the churches and in society want to do basic work on the question of life's meaning. They do not cower from the intellectual demands that such work entails. Indeed, many are exceedingly well equipped for a task that they see as all important in personal and social terms. But they want to get at it, and they have been asking the churches to be serious about such basic work and to provide priority room for doing it.

I find myself and my colleagues in the professional ministry deeply ready for scholarship again. I use the word *scholarship*, with fear and trembling, but I use it nevertheless. At heart a parish minister's calling is to be a pastoral theologian — a shepherd who leads people toward new faith and life as a theological teacher, a missionary counsellor. To live that life and to be that person in the midst of a congregation makes huge and exacting demands physically, emotionally, intellectually. We must ourselves provide new space in our lives for growth, study, writing, prayer, participation with a vigorous laity in probing the depths and in receiving the gifts of new life. The turn-around in a particular congregation may come through a raw act of courage on the part of a pastor and teacher who boldly re-orders his own priorities and thus provokes new vision and heart in the congregation's members.

I commend to you basic work for the long haul — plumbing the depths, growing toward the measure of the stature of the fullness of Christ, enriching the human world about us, illuminating the gift of being which is for all people. But in the short haul, today and tomorrow, the God of history who resides with us in the person of the living Christ and the penetrating person of the Holy Spirit will draw us toward the centers of suffering, oppression and injustice, and ask of us costly servanthood for which we will not feel deeply committed enough. But we cannot escape God's drawing, ready or not, and the months and years ahead of us will be filled sharply — demanding mission episodes (I was hungry . . . I was naked . . . I was sick . . . I was in prison . . .")

But, beneath the mission life of the Church, episodic as it must be, like a great subterranean river that makes life flourish above, like a great substratum upon which buildings rest, are the limitless depths to which God draws his children in his passion for our wholeness, his saving mission to humanity.

(Following informal comments about the upcoming Ninth General Synod in St. Louis, Mr. Post concluded with these remarks about the present and future of the Massachusetts Conference.)

The Conference

First of all I want to tell you that I feel very comfortable talking with you in a direct and intimate way about the Conference. I don't feel constrained to point to achievements in the pattern of management's report to the stockholders, nor can I think of a thing that I hope you won't ask me about. If there is time, perhaps the Moderator will allow for a few questions at the completion of these remarks. When I am not here in this room, I will seek to be in the room marked "Minister's and President's Room" to be available to you. This evening, following the recess of business, I will return to that room for conversations about anything. If you would like to make an appointment for an extended discussion or convey a message, I invite you to contact my secretary, Mrs. Mary Broder, whom I am delighted to have you meet now as she stands.

In many ways I feel very good about the Conference. Before coming three-and-a-half years ago, I was told that the Massachusetts Conference had stature. It is so, and generations of lively congregations and strong leaders account for it. But the stature has increased, I believe. After all, we handled some immense issues during these last few years, and we have not merely held together, but grown and deepened together. Elsewhere in the United Church of Christ, this Conference is looked to for its leadership strengths, its pioneering ventures, its imaginative mission priorities, its vitality. Even the Conference's unpredictability, while sometimes unnerving to the national instrumentalities and our sister Conferences, comes off with reasonably high marks.

We have talked before about the nature of the Conference, and have said it exists to minister to congregations and their pastors, to strengthen the bonds for the sake of the mission, and to take initiatives as a mission instrumentality to meet suffering and human need in the Commonwealth and beyond. While these purposes remain solid and convincing for me, I must say that more and more the Conference functions as a developer of environments within which the congregations set their goals and discern their priorities. Just about the time that I have half convinced myself that there is a great gulf of alienation fixed between the Conference and the churches — and even the churches and the churches — I become aware that we are all tied together in some strange and powerful way, and that the bond, in fact, means a great deal to pastors and people.

Remembering my own days as a parish minister, I don't for a moment think that pastors and church members spend their days Conference-watching. But what the Conference is doing through its meetings, its networks of committees and task forces, its leaders — does provide a major environment for United Church of Christ congregations. So the issue is environmental, or tonal perhaps — . . . find your word for the kind of thing I am trying to say.

And I suppose it is as the setter of environments that the Conference leads and influences. Surely we experienced what I am saying when the Conference took extraordinary leadership on the question of the empowerment of the black church and peace in Southeast Asia. Those moves and decisions, those words and dramas, those experiences of conflict and reconciliation created a world, an environment in which we found ourselves living, struggling, debating, growing, writing letters, staying awake at night and becoming more engaged.

That's the Conference, and that's very powerful. The more Conference environments are created by interacting forces of leadership and delegates, the more alive and organic the whole thing becomes, so that the organic community itself, in its being and acting, becomes a kind of deed of the Gospel, an evangelizing force.

Now I know that is waxing eloquently, but these are thoughts coming out of my interior, and I honor them and I ask you to.

It is in the context of these affirmative statements that I want to express a few concerns to you who are fellow members of the family.

One concern is that the *line* in Conference life is always taut. There's little or no "play" in the line, and, in a way, that's not much fun. We don't have good enough times. We don't get to know each other in relaxed ways. It's work-ethic from dawn to dusk, from week to week, and meeting to meeting.

Now if you think for a moment that God has failed us and that some of us have lost all sense of the ridiculous, you're sadly mistaken. But you know what I mean — many of you from congregations where pastors and people look at the beginning or the end of some given weeks like survivors of a spiritual catastrophe!

We have a *serial* style — one thing after another. The track is always crowded for what seems like an everlasting track meet. We “bite the bullet” every day, and sometimes all day. It would be comical if it weren’t so dangerous. With such a volume crunch, without spaces for reflection and evaluation, a human institution simply cannot do good consistent work, cannot hold up quality of performance. And even more serious is that important matters, in an unrelieved series, fall victim to trivialization and become just this and that, this and that — all in a day’s work.

And so we’re doing too much, and in all honesty we’re trying to do too much in this meeting. And we all know where this has come from. Out of our convictions concerning Conference style as well as out of important learnings from the tumult of the BEC grant, we have been operating on a wide open, approachable, collegial, people-power, grass-roots basis. In most ways, it has been magnificent, and only here and there would there be persons who would not agree that our celebrated trust problem has improved.

But I want to say to you that even as our open style continues and further flourishes we’d better find out how to exercise vigorous selection in mission priorities. Perhaps the issue is not one of technique, but of the cost of the armor plate some of us will have to wear when the Conference says, “No, we can’t handle that.” Our gifted Chairman, Wade Kornegay, both in our Board of Directors as well as in meetings of the Executive Council of the United Church, is always saying loudly and clearly, “We’d better find out soon not only how to phase in priorities, but how to phase out of them!” And he’s right — dead right!

Another concern is allied to the first. If we can’t handle everything, we ought to find out in concert with sister denominations where some of the critical work — much of it in the complicated public sector — can be done. It may be precisely at this point where the *re-design* of the Massachusetts Council of Churches comes in. One reason to have ecumenical agencies is to provide instruments for certain ministries that are more effectively done in coalition than by denominations acting separately.

I am very concerned that we find the right ecumenical formats, inclusive of the Roman Catholics, in this Commonwealth. My concerns are first theological, but also importantly functional.

Still another concern is the fact that we have two full Conference meetings each calendar year. That means that we spend extraordinary time preparing for and coming down from meetings. Mailing deadlines are a terror. Should we have two meetings? Would one have to be a longer meeting? Should one meeting be in the fall or spring? I haven’t decided about all of this yet. What do you think?

Another concern is the diminishing flow of money to support the Conference mission and all of the domestic and world-wide work of our national instrumentality. The key to our future is raising the floor of Basic Support. The Mission: Advance! deficit is a terrible worry — and about that I only wish that good old-fashioned New England guilt were still alive in some of those delinquent pledges.

It is clear to me that we are going to need more expert help in financial development, and it may be time for us to fill that staff vacancy of a Consultant in Financial Development. The idea will be tested in the forthcoming Planning Days, and a proposal may be before us at the Fall Meeting.

But I suppose my biggest concern is that we begin to help each other grow in depth, that we become open to the grace that will lead us to do the basic work of finding, receiving, articulating new faith and new life in Christ. I would like these to be days in the Conference that we would cherish and long remember for the life-giving vitality running through them, for both the pain and the glory that were part of our growth.

Board of Directors
Massachusetts Conference of the
United Church of Christ

We have examined the statement of assets and liabilities resulting from cash transactions of Massachusetts Conference of the United Church of Christ (a non-profit organization) as of December 31, 1972, and the related statements of cash revenue and expenditures and changes in fund balances for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such auditing procedures as we considered necessary in the circumstances.

In our opinion, the financial statements referred to above present fairly the assets and liabilities of Massachusetts Conference of the United Church of Christ at December 31, 1972, arising from cash transactions, the revenue collected and expenditures by it and changes in fund balances during the year then ended, on a basis consistent with that of the preceding year.

NOTES TO FINANCIAL STATEMENTS

December 31, 1972

NOTE A - SIGNIFICANT ACCOUNTING POLICIES

Basis of Financial Reporting

The Conference maintains its records on the cash basis of accounting and prepares its financial reports on the same basis.

Fixed Assets and Depreciation

In accordance with the Conference's consistent policy, no depreciation has been provided on real estate.

Purchase of equipment are charged directly to expense at the time of purchase.

NOTE B - REAL ESTATE

General fund real estate of \$1 represents tentative proceeds (under numerous trust agreements, wills, and other contracts) to which the Massachusetts Conference of the United Church of Christ has some reversionary interest. The exact value of such interests and the time at which the rights to this interest become vested in the Conference is dependent upon circumstances over which the Conference has no control.

NOTE C - INSURANCE PREMIUMS HELD

The liability at December 31, 1972 represents premium payments for 1973 coverage paid in advance by participating ministers.

NOTE D - PENSION EXPENSE

The Conference has elected to participate in The Retirement Fund for Lay Workers which is managed by the Pension Boards of the United Church of Christ. Full time employees, after three months service, may elect to contribute 3% of their gross annual salary during their first five years of membership. The Conference contributes 8% of the gross pay during that period. After five years of participation, the Conference absorbs the entire 11%; the employee then contributes on a voluntary basis. The entire contribution is vested at time of payment and no payment is made for past service.

NOTE E - COMMITMENTS

The Conference conducts a portion of its operations in leased facilities with approximate annual rentals of \$21,500. The lease expires November 1, 1980.

NOTE F - ADDITION OF FUNDS

During 1972, additional Funds were merged into the Conference as a result of the dissolution of the former Congregational Church Union of Boston and Vicinity.

AUDITORS' REPORT ON SUPPLEMENTAL INFORMATION

Massachusetts Conference of the
United Church of Christ

The basic financial statements of the Massachusetts Conference of the United Church of Christ for the year ended December 31, 1972, and our report thereon, are presented in the preceding section of this report. Our examination was made primarily for the purpose of formulating an overall opinion on those financial statements. The supplemental statements presented hereinafter, although not considered necessary for a fair presentation of assets and liabilities arising from cash transactions, revenue collected and expenditures and changes in fund balances, are presented as supplementary information and have been subjected to the audit procedures applied in the examination of the basic financial statements. In our opinion, the supplemental statements are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

We have examined the statements of net assets of the First, Second and Third Trusts of The Massachusetts Congregational Fund (a Massachusetts non-profit corporation) as of March 31, 1973, and the related statements of earnings and changes in net assets for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying statements of net assets and statements of earnings and changes in net assets present fairly the financial position of the First, Second and Third Trusts of The Massachusetts Congregational Fund at March 31, 1973, and the results of their operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

CITY MISSIONARY SOCIETY, BOSTON, INC. 1820

Chairman of Board of Directors — Richard M. Harter, Esq.

Clerk — Rev. Newell Curtis, Jr.

President — Rev. Clyde H. Miller, Jr.

Treasurer — Mr. Russell H. Palmer

Staff: Full time 13, part time (including summer program) 79

The City Missionary Society has been the social service arm of Congregational churches in Metropolitan Boston since 1816. It now has an important place in the life of the Metropolitan Boston Association, whose constitution refers to the Society as "a recognized instrumentality of the Metropolitan Boston Association." Committees of Metropolitan Boston Association and of City Missionary Society are working together on several programs.

CMS holds membership in the American Camping Association, Family Service Section of the Greater Boston Community Council, Massachusetts Conference on Social Welfare, and Greater Boston Community Development.

Mission Advance funds, when flowing through CMS as the mission arm of the Metropolitan Boston Association, were budgeted by the CMS-MBA Projects Committee. The principal use of these funds was in the area of Community Development. Work has been carried out in Mattapan, Somerville, and Woburn. With the end of Mission Advance funding, crucial decisions must be made concerning whether to continue all or some of the community development programs. New sources of support must be developed if they are to continue even at a reduced level of service and action.

Five social workers are assigned to various communities in the inner city, and they work closely with public and private social agencies. The Society's social workers are aided by volunteers who engage in numerous useful services of visitation, teaching, etc.

The Society's summer camping programs provide meaningful activity for children of all ages and for adult members of low-income families. Camps Andover-Waldron on Lake Winnisquam, in Meredith, N. H. are open to children 9-16 years of age. They provide opportunities for interracial and intercultural contacts in a Christian setting. Family Camps and weekend retreats for church groups are held under sponsorship of CMS at Farrington Memorial property in Lincoln, Mass.

CMS receives no income from United Funds. Principal support comes from United Church of Christ churches in Metropolitan Boston, from interested individuals and trust funds, and from endowment. Much aid in relief comes from the Howard Benevolent Society, and other trusts and foundations in Boston. Many churches and Sunday schools regularly aid with collections of clothing, furniture, Christmas gifts, and special funds.

The Society's income in the fiscal year ending October 31, 1972, was \$446,109 (this amount included legacies of \$6,851). Churches in the Metropolitan Boston Association and other churches in Massachusetts contributed \$53,533. The operating deficit in 1972 was \$61,000.

City Missionary Society was incorporated in 1820. Its corporate members are elected at the annual meeting, held in November each year. Every supporting congregation is entitled to nominate a representative to serve a three-year term on the corporation.

THE CONGREGATIONAL LIBRARY
OF THE AMERICAN CONGREGATIONAL ASSOCIATION
(Proprietor of the Congregational House)
ROOM 207, 14 BEACON STREET, BOSTON

The Congregational Library was founded in 1853 to gather and preserve books, pamphlets and manuscripts on Congregational history and to promote the general interests of Congregational churches. In addition to the historic collection on Congregationalism the library has important collections of Bibles, in a variety of languages and versions, hymnals, and histories of local churches and towns. New books, with the exception of fiction, are purchased every week in the fields of: preaching and pastoral work, philosophy and theology, Biblical commentary, church history, religious education, worship and devotion, missions and the ecumenical movement, church arts and architecture, denominations, sects, and world religions, social problems, and biography.

These resources, approximately 200,000 books and pamphlets, are available to ministers, lay preachers, church officers, church school teachers, students, and all interested in reading for enrichment of life. Books are mailed without charge to all parts of the United States. A letter or postcard giving author, title or the subject of books desired, will receive prompt attention. The Library is open for study and research Monday through Friday, 9-5. A copy of a leaflet, "The Congregational Library" and the *Bulletin* will be sent to those writing for further information.

STATISTICAL TABLES

EXPLANATORY

The tables which follow comprise:

1. The statistics of the churches, giving the ministers, church membership, additions, removals, Sunday school membership, and the amount of benevolences and expenses. These tables, in accordance with the vote of the Conference in 1887, are made to conform to those in the National Year Book;
2. The Associations of Churches, with the names of officers;
3. The Ministerial Standing, giving the date of ordination of each minister, the date of membership in the Association, the residence and his "employment";
4. The Ministerial Record, containing lists of ordinations and deaths.

The tables of the first part contain the names of all the Congregational and United Church of Christ churches in Massachusetts, the towns and cities being arranged alphabetically. This is not a postal guide. It is a listing of the location of the church for the convenience of persons seeking to find the church. The first name in the list of churches is the name of the town or city in which the church is located; then follows the name of the church and directions for locating the church.

Church members are reported as numbered January 1, 1973. Admissions and removals cover the year 1972. "Sunday School" includes total membership of officers, teachers and scholars January 1, 1973 or when the school is in operation (if not at that date), covering "branch schools," "mission schools," and "home departments," so far as maintained by the reporting church.

The months and days in the dates of the organization of churches are omitted. They will be found in the publications of 1873, those of churches since organized being given in the "Minutes" of each year. Months and days in the dates of ordination of Congregational and United Church of Christ ministers may be found in the lists of the local associations which follow the tables.

Reference marks used throughout Schedules:

- A — Figures are for U.C.C. members only
- B — Church is part of a Larger Parish. Name of Larger Parish will be found under the name of the Larger Parish in Conference Summary
- C — Charges. The number of each church included in a Charge will be found under the name of the Charge in Conference Summary
- D — Dual standing, or affiliation, with another denomination
- X — Not enrolled as United Church of Christ minister according to Conference Reports, but has Congregational Christian standing only
- Y — Pastor serves more than one church. (See list of yoked churches in Conference Summary)

CM — Campus Ministry

LO — Limited Ordination

NK — Pastor's denomination is not known

PT — Part time

□ — Church made no report and statistics are from previous Year Book, except actual figures reported from Conference Records for Our Mission for Others

* — Schedule I. Congregational Christian Churches which have not voted or which have voted to abstain from voting at the time of submitting the Conference Report

— Schedule II. Congregational Christian Churches which have voted not to be part of the U.C.C. at the time of submitting the Conference Report

Amount of "Local Expenses" includes all salaries, operating expenses and repairs for church, Sunday school, choir and parish.

In reporting the statistics of federated churches, figures given pertaining to membership and gifts on the apportionment are for the Congregational or United Church of Christ churches within the federated churches. Figures pertaining to Church School enrollment, contributions to home expenses are usually for all the churches grouped together in the federated church.

Note:

Pastoral changes between the time year book data was sent to the national office and the time of going to press for our Conference Year Book are not reflected in the following schedules, but are reflected in the association lists and the alphabetical lists.

MASSACHUSETTS CONGREGATIONAL FUND

First Trust — a balanced fund

Second Trust — an income fund

Third Trust — an equity fund

The Massachusetts Congregational Fund was established in 1915 as a means of bringing professional investment management to bear on the handling of the capital funds of the Massachusetts Conference and churches and organizations affiliated with it. In nearly three decades the Fund has provided continuity and the steady application of sound investment principles to the assets put in its care.

The three trusts named in the heading operate as mutual funds with no loading and a minimum of expense. The First National Bank of Boston provides the custody of the assets, the collection and distribution of income and investment service. Each trust has a different objective as indicated by their names so that separately or in combination almost any objective may be achieved. The net assets of the three trusts now total nearly \$13 million market value.

The officers and members of the Fund's Board composed of business and financial executives well known in Massachusetts, ask consideration of the churches for the investment of additional funds in one or more of the trusts. They are open for new subscriptions (and redemptions) four times each year, on January 1, April 1, July 1, and October 1 upon prior application.

The performance of the Fund, whether judged by the past year's results, or over a long period of time, is such as to indicate sound and capable operation and to justify churches using the Fund's trusts with confidence as effective vehicles for investing their capital assets. For additional data on net assets and earnings of each trust, see pages 103 through 106 of this Year Book.
